Dear Mr. Butler:

Thank you for your letter and proposal regarding the Ontario Business Law reform initiative. I appreciated receiving this information. I note that you have also written to Premier McGuinty on this issue.

Our government is committed to ensuring prosperity for Ontarians. While our economy is strong and we are on track for another year of steady growth, we are aware that we have more work to do in order to get the best jobs and the most investments. We will certainly take your views into consideration as we proceed.

Yours truly,
